

Contra Costa Cake and Sugar Art Society supports CASA in a couple of ways.

We provide homemade and decorated Birthday cakes for children who would not otherwise have a cake for their special day.

Cakes are customized for each child and delivered by the child's Court Appointed Special Advocate or "CASA".

We also provide financial support with donations generated during Society events. We have several members of our Society who are CASAs.

We are proud to support this wonderful organization and encourage others to join us.

For more information on CASA go to their web site at <http://www.cccocasa.org>
