Do you Love all things Cake or Sugar? If so, join us!

The Contra Costa Cake and Sugar Art Society (CCCSAS) is one of the few active cake decorating clubs in the Bay Area. Membership is open to anyone with an interest in the sugar arts. You do not have to have any experience to join or you may be a professional with years of knowledge. Our members run the gambit of skill and experience.

CCCSAS meets on the second Thursday of every month from 7:00 pm to 9:00 pm at a location in the Bay Area. Meeting details and directions are posted on our web site at www.contracostacakeclub.org

Members receive email notifications of meetings and other events. Our monthly newsletter is full of CCCSAS information, recipes, and news about the cake and sugar world. The newsletter is emailed to members monthly and is archived for members to access on our web site. Non-members may attend meetings for \$10.00 per meeting or join at anytime for \$25.00 per year.

Founded in 2006 CCCSAS is a volunteer organization dedicated to sharing, promoting, encouraging and spreading the appreciation and practice of the art of cake decorating and all confectionary art forms. CCCSAS monthly meetings are always educational and fun. Each month features a demonstration, presentation and or a hands-on activity for everyone to enjoy. CCCSAS goes on field trips several times a year to regional culinary, cake and sugar related locations. CCCSAS also supports the community through volunteer and charitable outreach programs.

Have you ever wondered how those decorators on the Food Network do what they do? We have an incredibly talented and knowledgeable membership who can answer your questions. Our members range from the home baker/decorator to business owners, instructors and professionals all willing to share their experience with you. Come join us and delight in all things sugar!

For more information on CCCSAS visit our web site at www.contracostacakeclub.org or Contact our President Tracy Wirta at email info@contracostacakeclub.org or phone (925) 932-0436
